## Summer Program 2024 – Overview

June 3 – July 12, 2024 (**No School June 19, July 4-5**)

Greetings Families,

Don't let summer be a "brain-drain" for your children! Keep their minds active and expand their interests in a fun and friendly summer day camp atmosphere. Students entering Kindergarten through 8<sup>th</sup> Grades are invited to join us this summer for our Summer School Enrichment Camp-Summer Fun program:

- o **Our Program** is a six-week full day program for students entering Kindergarten through 8<sup>th</sup> grades:
  - The morning session offers learning activities that build competencies in English Language Arts and Mathematics through creative lessons, educational projects, and computer labs. Small reading groups will be assembled, covering summer reading lists (from St. Robert School).
  - The afternoon session keeps students learning in many enriching subjects including Art, Science, Computers, Cooking, Music, and Athletics. Weekly themes will be celebrated with field trips, special guests, and/or activities.
- o **Extended Day** is available for students enrolled in our summer program:
  - We offer an optional Extended Day Program which provides a safe, caring, and educational place for students before and after the summer program. Age appropriate, fun activities, such as arts and crafts, athletics, games, and educational projects keep students active and involved.
  - Extended Day hours are from 7:30-8:30 a.m. and from 3:00-6:00 p.m., daily throughout the seven-week program.
  - A light snack will be provided in the afternoon.

We invite you to take a moment to review our program and schedule –if you are new to St. Robert Catholic School, please visit our school or check out our website [www.strobertschool.org](http://www.strobertschool.org).
